Colors shown are subject to change. Please review our website for the latest available color selections (www.metpar.com)

Physical samples are available and strongly recommended prior to final color selection.

* Directional patterns on panels larger than 59" wide will require the pattern to run horizontally to the doors and pilasters.

For selections other than standard colors, contact Metpar for price.

! Swatches are a printed representation of the color. Please view an actual sample prior to making your final selection.
